COMMENTS ON STATEMENT OF REASONS FOR ALLOWANCE

Mail Stop Issue Fee
Commissioner for Patents
PO Box 1450
Alexandria, VA 22313-1450

Date: November 30, 2004

Sir:

Applicant acknowledges the Examiner's grouping of the allowed claims, and the reasons for allowance provided for each grouping. Applicant concurs that each of the reasons stated represent one aspect of patentability of the claims in each grouping. However, the Examiner's statements for reasons for allowance appear to be a portion of at least one independent claim from each grouping, and thus in most cases do not fully reflect the complete subject matter of their respective claims, especially dependent claims. Each of the claims sets forth Applicant's contribution with particularity, and each claim is allowable in light of the complete language of the claim, as well as equivalents. The Applicant therefore respectfully asserts that the scope of each claim as allowed is to be determined from the actual language claim, including all equivalents.
